# Winter/Spring 2017
# Adolescent Literacy Web Conferences

A series of Adobe Connect web conferences is being offered to introduce educators to Disciplinary Literacy as an effective literacy approach to content area teaching and student learning. You are invited to attend sessions individually or with colleagues.

***Disciplinary Literacy: Growing our Understanding, Three-Part Series*** ***Grades 7-12***

This three-part series will provide educators with opportunities for discussion and learning to support students in grade 7-12 classrooms, with a particular focus on reading in the content areas. Specifically, participants will learn how to help students think like an "insider" in their subject area to deepen their learning in specific disciplines. Educators will also explore instructional practices that highlight the unique tools used in the subject area and develop additional instructional strategies to engage student learning in specific disciplines. **As a three-part series, the learning builds from one session to another so it is recommended that registrants participate in all three sessions.**

**Please register here.**

Part 1:

- February 16, 2017 - 9:30 am – 10:30 am EST (for participants not requiring release time) OR
- February 16, 2017 - 4:30 pm – 5:30 pm EST

Part 2:

- March 30, 2017 – 9:30 am – 10:30 am EST (for participants not requiring release time) OR
- March 30, 2017 - 4:30 pm – 5:30 pm EST

*NEW Alternate date April 6, 2017 4:30 – 5:30 pm EST (for those unable to participate March 30)

Part 3:

- May 11, 2017 – 9:30 am – 10:30 am EST (for participants not requiring release time) OR
- May 11, 2017 - 4:30 pm – 5:30 pm EST

**Required Equipment and Materials for All Participants:**

- a computer with hard-wired internet connection (wireless internet might impair the experience of the Adobe Connect session)
- a telephone for teleconference option
- a built in or separate microphone
- session handouts (will be emailed in advance to all participants as appropriate)

**Additional Required Equipment If You are Participating as a Team:**

- a data projector and speakers

**Note:** For teams who may be participating in the session, please register one communicator.
