

Formulating Good Inquiry Questions

Criteria for a good inquiry question (in this box jot down ideas of what you would include in the success criteria)

Provocation – Infographics from QMIGraphics

Creating Discipline Thinking Inquiry Questions: using the criteria we co-created craft different inquiry questions that focus on the discipline specific thinking concepts

Significance:

Perspective:

Criteria for a good inquiry question (in this box jot down ideas of what you would include in the success criteria)

Self-Assessment: Reflect on the feedback you received and revise your question as appropriate. What helped you form good questions? What do you need to pay attention to in order to generate better questions?
