

Logging in to the Ontario Educational Resource Bank

Go to the **OERB Login** screen.

<https://resources.elearningontario.ca>

- login using your board credentials
- check with your **TELT** contact for your login information
- for those already using the VLE, many boards have an integrated OERB link

Read the Terms and Conditions page.

Select

Terms and Conditions for Using the Ontario Educational Resource Bank

This page contains lots of information:

- **Featured Resources**
- **Search** - meaning to search resources housed in the OERB
- **Share** - meaning to contribute and upload resources to the OERB

Featured Resources - Click on the

Search

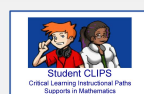

Share

The **Search** page is your primary stop for searching resources but by scrolling down it is also home to:

- Favourites – direct links to favourite interactive learning object
- Featured Resources
- Useful Links
- Twitter posts by OERB

USEFUL LINKS

mathies

tvo

From the **Search** page, the easiest way to find Blended Mathematics courses/units is to:

- select **TELO COURSE UNITS**
- select the grade
- select the course - *Mathematics*

Choose between Units only, Activities only or Both units and activities.

Click on  to dive into the resources!

Attention iPad users: you will need to download the Puffin Academy App to enable running any flash based learning objects
