

Paper Folding

<https://youtu.be/CSHr3ASBRWs>

Cathy B: Okay, so what are you doing there? How come you folded it again?

Student: So they can be four pieces.

Cathy B: So you're going to have four pieces? How do you know you have four pieces now?

Student: Because when we unfold it there's four squares and they're all equal.

Cathy B: Hmm. Okay, so now what?
