Learning Materials:
These resources are designed to help educators implement the Growing Success policy and include supports such as Videos Series with Viewing Guides, Board Stories, and links to current research.

AER GAINS
This site provides resources for educators to support Growing Success Assessment, Evaluation and Reporting in Ontario Schools. First Edition, Covering Grades 1-12. Developed by educators from a variety of sectors and boards across the province, they show practical classroom strategies for combining and applying sound assessment policy and research-based practices in Ontario classrooms.

The video resources found at this site support the implementation of Assessment forall learning practices focused on improving student learning. Each section of the video resources area contains a Viewer’s Guide to support ongoing individual and collaborative learning for teachers, learning facilitators, and board administrators.

The other sections of the site provide practical resources for educators to support the implementation of sound research-based assessment, evaluation, and reporting practices.

AER Pulse of the Province
- October 18, 2011 NEW
  - 2011 Assessment for Learning Video Series, Planning Assessment with Instruction is now available. View the video clips to reflect on how planning assessment that is seamlessly integrated with instruction produces a continuous flow of assessment information that teachers and students use to improve learning.

- September 14, 2011 NEW
  - Materials used for the Regional Progress Report Sessions are available for previewing and for use by boards and schools to conduct their own local sessions. However, it is advisable that all services using these materials take

Navigation:
Supports can be accessed from the left menu. All of the resources are organized by content and can be accessed through the drop-down menus.
